

FEBRUARY 11, 2020

Please join us on February 11th for our 2nd Annual School Health & Safety Conference. This one day Conference brings attention to areas addressed in Senate Bill 11. Presenters from various organizations will provide up-to-date information in order to help us better protect our students. Some of these organizations include: Texas School Safety Center, United States Drug Enforcement Administration, Driscoll Children's Hospital, Sara Leon & Associates, LLC, and many more!

Federal Funding for School Health and Safety is available to districts who receive a Title IV, Part A allotment. This federal program has many allowable uses that fall within the following categories:

- 1) well-rounded education opportunities,
- 2) safe and healthy students, and
- 3) effective use of technology.

This funding can also be used to attend the ESC2's Annual Health and Safety Conference. Talk to your district's Federal Programs Director for additional information regarding your district's available funding.
